

LOGIN PAGE

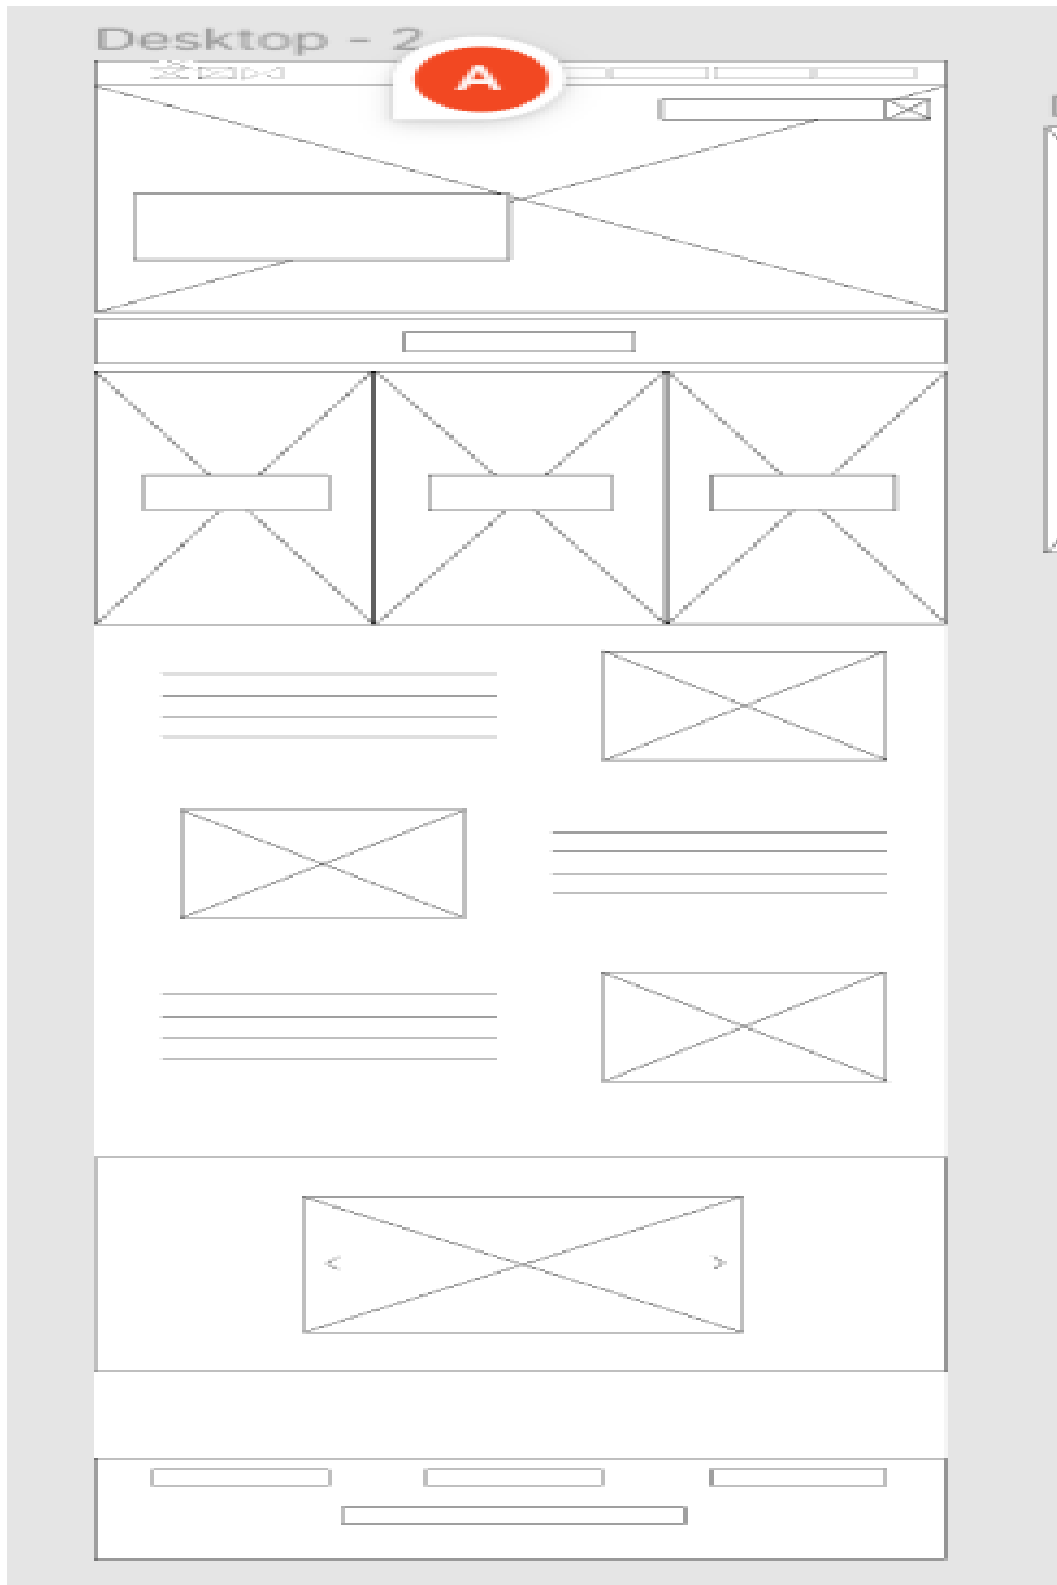

The login page layout consists of a large rectangular area on the left, outlined with a thin black border and containing a large 'X' formed by two diagonal lines. To the right of this area is a vertical stack of form elements. At the top of this stack is a small red circular icon with a white letter 'A'. Below the icon are four rectangular input fields: a small one, followed by two medium-width ones, and another small one. At the bottom of the form area are three horizontal lines of varying lengths, suggesting a password field or additional input options.
